An Edelweiss Initiative

THE GREAT EASTERN SHIPPING CSR FOUNDATION

The Great Eastern Shipping joined hands with EdelGive to fund the Collaborators for Transforming Education program in 2017.

Great Eastern CSR Foundation (GECSRF) is the CSR arm of The Great Eastern Shipping Co. Ltd (GES) and Greatship (India) Limited. The Great Eastern Group had always maintained its role as an environmentally and socially conscious business. However, in order to further contribute towards the betterment of the society we live in; the CSR Foundation was formed in February 2015. They taken a two pronged approach to carry out its social responsibility initiatives. One is by supporting the work of NGO's working at the grassroots on issues such as education, livelihood & empowerment and health. The other focus is on fostering a social volunteering culture within the organization.
