“Cooperating with EdelGive provides a fantastic learning opportunity on high-engagement venture philanthropy. We are impressed by EdelGive’s extreme professionalism and great personal commitment of its leaders and staff.”- Dr. Ann-Veruschka Jurisch, Director at atDta Foundation, Switzerland

The foundation promotes above all small, privately set up relief organisations which mainly work in an honorary capacity and carry out helping others to help themselves projects or make them possible, in the context of development as well as social projects.
